

# 4" Flex Fascia Cover

## Product Data Sheet

### Product Description

The 4" Flex Fascia Cover snaps onto the Duro-Last® vinyl 4" fascia bar. Pre-notched grooves every 1½" allow fascia cover to snap over radial surfaces.

### Features

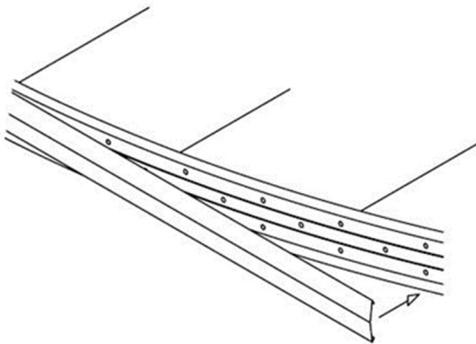

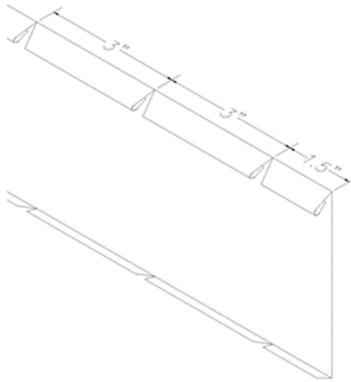

- Fabricated in 10' lengths; 4" width.
- Can be installed on both inside and outside radius edges.
- Manufactured from various metals (see chart below).
- Manufactured in flat face profile.
- LEED® compliant.

### Installation

1. Attach to a wood nailer.
2. This nailer should be attached to the wall in accordance with ANSI/SPRI ES-1.
3. Install in accordance with EXCEPTIONAL® Metals detail drawings #3510 and #3511.
4. Any deviation from the requirements set forth in detail drawings must be pre-approved, in writing, by the EXCEPTIONAL Metals Technical Department.

### Warranty

Duro-Last offers a wide range of warranty coverage for EXCEPTIONAL Metals products when used with the Duro-Last roofing system, including paint and finish.

Material	Gauge	Finish
