

Product Data Sheet

DefendEX™ SL1750 Super Clip

Clip Style

Galvanized Steel

Item Number

W6810C14CTG

Description

The DefendEX™ SL1750 Super Clips are specially designed to be used in the attachment of the DefendEX SL1750 Standing Seam Roof Panel. The clip design allows unlimited thermal movement of the panel.

Method of Application

1. Position the clips flush against the vertical seam.
2. Ensure clip is parallel with vertical seam.
3. Attach clips to roof deck using the appropriate fastener.
4. Position adjacent panel flush against installed clip.

NOTE: Install assembly according to the *Metal Roofing Design Guide* and the *Metal Roofing System Application Guide* found on the [Exceptional Metals website](http://www.exceptionalmetals.com). Follow approved installation details.

Storage

Store in unopened original containers protected from the weather.

Stocking Location: Anoka, MN

Packaging

10 clips per carton

Precautions

- Eye protection must be worn during the installation of fasteners.
- Do not overdrive or underdrive fastener.
- Only designed to anchor SL1750 standing seam roof panels.
- Cannot use Exceptional Metals HD, HD plus, or fasteners larger than #12.
