

ATR Hub (Access Through Roof)

Description:

The ATR Hub eliminates the need for multiple penetrations and pitch pans in one small area.

- Fabricated from 24-gauge vinyl-coated metal and 6" PVC membrane skirt.
- The 24-gauge Galvalume® prefinished top replaces the need for pourable filler.
- Unused boots can be welded closed for future use.
- Available in white, tan, gray, and dark gray.
- Available in 8" x 8" x 14". Custom sizes available.
- For new construction only.

Installation:

1. Install in accordance with EXCEPTIONAL® Metals Detail #4047.
2. Any deviation from the requirements set forth in detail drawings must be pre-approved, in writing, by the EXCEPTIONAL Metals Technical Department.

Warranty:

EXCEPTIONAL Metals offers a finish and substrate warranty. Contact the membrane manufacturer for any additional warranty that may be offered.

Technical Services:

Product samples, detail sheets, color chips, and color chart are available for your submittal package. For assistance with questions or submittals, contact your local representative or call EXCEPTIONAL Metals.
